

A USEFUL THING TO KEEP

One piece. Three ways to travel.

Detach a contact card, bookmark or share card. Each one keeps the same live offering close.

Keep the print. Change what opens.

PESHKASH.APP

PESHKASH / 06

Offline is not the opposite of intelligent.

Give a physical business the reach,
freshness and insight expected in today's
AI world.

KEEP 01 / CONTACT

Save the person.

Name, number, work and every current way to connect.

KEEP 02 / BOOKMARK

Keep the offering.

A slim reminder for a menu, maker, service, event or place.

KEEP 03 / SHARE

Pass it on.

One card, one scan, one live link worth sharing.

01

PLACE IT IN THE REAL WORLD

Start where business already happens.

On the product

Story, care, proof and reorder.

On the counter

Menu, booking, payment and directions.

02

SHARE ONE CURRENT OFFERING

No website project required.

Contact and portfolio

Everything useful in one clear place.

Update behind the scan

The physical piece stays the same.

03

UNDERSTAND THE RESPONSE

Turn passing interest into evidence.

See scans and actions

Know what earns attention and when.

Improve the next offering

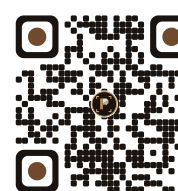

Use real behaviour, not guesswork.

CONTACT / PORTFOLIO / BOOKING

An offering worth keeping.

BOOKMARK / SAVE / RETURN

Scan. Share.
Stay current.
