PESHKASH / 03

A small scan. A bigger presence.

For people who make, sell, serve, teach, host and share.

01

WHAT CAN A SCAN CARRY?

Whatever helps
someone say yes.

Menu and ordering

Services and booking

Portfolio and profile

Product story and care

Events and entry

Contact and follow-up

Use it on cards, counters, tables, tags, packages, artworks, invitations and anywhere curiosity begins.

02

WHY PESHKASH?

Because the printed
piece should keep
earning attention.

Stay current.

Change what sits behind the scan without changing the object people already have.

Stay clear.

Give people one useful destination instead of a list of handles, links and instructions.

Learn what works.

See what draws interest and make the next offering even stronger.
